6a) Motion for The People's Kitchen

Folkets Kök or The People's Kitchen, is a project organized by the Ecosocialist Collective (working name). The goal of this project is to provide free, weekly, vegan dinners that are open to everyone. This project has no specific target audience - rather, it aims to create an open community space where people from different background can share food and connect, while also providing meals to anyone who may be in need.

Whereas

- The Ecosocialist Collective is comprised of many Smålands members, active members, and residents,
- The Ecosocialist Collective shares Smålands' values of socialism, feminism, anti-racism, and creating a safe space LGBTQ+ people and others,
- Folkets kök enacts socialist values by working towards a decommodification of food and subverting the capitalist concept of merit,
- The project is in line with Smålands' openness to more than students,
- The project, like Smålands, will only serve vegan food

I therefore move that:

- Smålands allows the Ecosocialist Collective to use the Smålands Kitchen and Pub every Thursday from 5:30 to 10 for the People's Kitchen and the general meetings of the collective
- Smålands allows the group to use some base ingredients like spices, salt, oil, flour, etc.
- Smålands give the group access to the printers and printing materials in expen
- Smålands provides small financial supporting to the project by contributing one hundred(100) krona per week, this will contribute towards ingredients for the dinners.

\Member of the Ecosocialist Collective

6b) Motion to get a new (used) and better transport bike

We have a really fancy transport bike bought for roughly 25.000 a few years back. Problem is that it's 2 wheeled and a pain in the ass to manoeuvre. A christiania bike, a classic three wheeled box bike would be much better, and are pretty cheap second hand nowadays following it's surge in popularity a few years ago.

I therefore move that...

...the nation meeting tasks a person with selling the old bike through any marketplace they find fitting.

...the nation meeting tasks a person with buying a second hand three-wheeled box bike.

...a maximum of 10.000 SEK is spent on this purchase.

/Kamratligen,
