## Reports

### a) Discussion about changing Ronja name

Hey best nation ever we come to you with a discussion point!

Name change; from Ronja to SCUM

We, as the feminist commissars, have been thinking of changing our name to: Smålands committee united (against) men - SCUM.

Before we make a decision we would like to get some feedback from other people. We have at a committee meeting discussed it already but want some more feedback and want to know what active people think.

We think that the name Ronja doesn't fit our work as a committee. We want our name to reflect the work that we do, and we want it to have clear ties to feminism, seperatism and also have some bakground in the feminist movement.

Smålands does not apologize for its socialist politics and we want our feminism to also not cater to someone elses needs. Which is a big reason to why we want a name that is a statement in of it self.

We are not voting on the name, this is just a discussion so we can get some feedback, and also share what we are thinking as a committee.

When we brought it up in our committee we were also unsure of our own agency and decision power. Can we as elected people decide this on our own or should it be a NM motion? Is it enough with a committee decision? Or is it the same thing as the pub/club committee choosing a name for a reoccurring event? Please give us some nice feedback! We are open to good suggestions!

// two cool, amazing people that are very tired of not having a superduper meganice name

## **Motions**

### **a) Motion about Cumbion Malmö**

Hello!

The Cumbion Malmö organization had a workshop here during the decoloniality week and they really wanna come back. They wanna be here on the 6th of December from 14.30 until 18.00. This is to celebrate the traditional Colombian Candles Day. They want to invite everyone and they want to have the bar open. (I will be serving responsible). I have had contact with the klubbis for that day and they are happy to have us before.

I move ...

...that the Cumbion Malmö organization have the Colombian Candle Day celebration on the 6th of December from 14.30 until 18.00.

Dani

### **b) Motion about storage room in the entrance**

Hello!

We have been talking about the the fact that there is a lot of stuff that is hard to reach in the space between the wardrobe and the stage. To manage this problem we thought that we could take more advantage of the room by the entrance (the old wardrobe). To maximize this room we want to take down the wall and take away the floor so that it is at the same level as the rest of the floor. To be able to do this we would need some materials so we want to as for a budget of 3000 kr.

We move that..

... we take down the wall and the floor of the old wardrobe.

... that this project gets a budget of 3000kr

### **c) Motion about Deng Deng Hi-Fi**

On December 6th, Deng Deng Hifi will bring their full sound system and play a full set of roots dub here at Smålands. It is going to be a unique experience for Lund and has the potential of bringing in an audience from Malmö and other surrounding regions.

They have requested 6000 SEK + 1000 SEK for transport costs from Malmö and back. Since the total of 7000 SEK exceeds the per-event limit of 5000 SEK we are asking for a nation meeting decision.

The club budget has room for this expense, and it is the opinion of the club commission that this event is worth spending a bit of extra money on.

Motion: Approve the payment of 7000 SEK to Deng Deng Hifi on Dec. 6th

All the best!

/Arvid

#### **d) Motion about free breakfast**

Hello Everyone!

We want to activate the political side of Smålands more. To do so we want to have a broader political campaign around food. For the first step we want to have a free breakfast once a week on Tuesdays starting in February.

We are many people at Smålands who are excited about this and have had one open planning meeting. We want as many people as possible to join so please come to the next planning meeting which will be on the 13th of December at 18.00 in t-gången.

We have been in contact with the peoples kitchen and Food Saving Lund about getting there help in finding volunteers as well as food we can serve during this breakfast. However we still need funding from our Nation to be able to do this.

We looked at Martin och Servera and made an approximation of the price for a breakfast that landed in 20kr per portion. We are estimating on having approximately 40 people in the beginning. That means we would need a budget of 3200kr per month to begin with. As said we want to collaborate with as many groups as possible to decrease the costs of this initiative and this is the calculated price if we did not get any donated food at all.

We move...

... that Smålands starts a free breakfast initiative starting in February of 2026, every Tuesday morning

... that this initiative has a budget of 3200kr per month.

Comradely,

Maria, Aili, Annie, Bean, Thalia, Sophia, Flora, Thekla, Ella, Jaana
