Preliminär: På fredag anslås den definitiva kandidatlistan – alltså du kan nominera andra eller dig själv fram tills på fredag kl 15.00!

Fyllnadsval: Alla poster har specifika "mandatperioder" och en specifik intervall dessa skall väljas på. Ett fyllnadsval är när någon kandiderar till en tom position vars mandatperiod redan börjat.

Preliminary: On friday the definitive candidate list will be posted which means you can nominate others or yourself until friday at 15.00!

By-election: All positions have specific "mandate-periods" and a specific time at which they should be elected. A by-election is when someone candidates for an empty position whose mandate-period has already begun.
